TO WHOM IT MAY CONCERN

This is to certify that **Mr. Abdullah Ahmad S/O Major Khawaja Abrar Ahmad (R)** has done his internship in **Full Stack Web Development** from **1st-Jun-2022 – 31st - Aug-2022** at Smart Technology House.

During his internship he has performed the following tasks:

- Developed a complete CRUD system for accounts of employees independently, featuring different access permissions for different types of employees. Core PHP and MySQL were used to implement this.
- Converted the company's assigned website templates, flyers and resumes from PSD to HTML5 form with pinpoint precision, often including special effects as well with jQuery.
- Designed official admission forms and transcripts in HTML5 and CSS for an educational institute.

He has demonstrated his skills with self-motivation to learn new skills.

His performance exceeded our expectations and he was able to complete all the assigned tasks on time.

We wish him all the best for his future endeavors.
